Subject: WY RH FR notice - let us know when modeling section is ready for ORC review

Hi All

At this point our office has reviewed all the sections of the FR notice, with the exception of the modeling section.

Please let Steve and I know when the modeling section is ready for us to review, and depending on our schedules, one of us will review. I just checked it a few minutes ago, and note that it does not appear complete.

We will certainly do what we can to meet the 12/4 deadline for all the sections to go to regional management/OAQPS/OGC for review, however, since we haven't yet reviewed that section, it's a challenge to commit to that deadline.

Thanks,

Sara L. Laumann
